

Community Resilience Workshop with University of Miami's LU_LAB

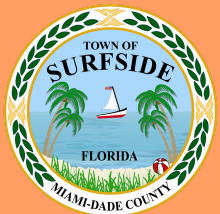

Thursday, November 14, 2019

6:30 pm - 9:00 pm

Town Hall Commission Chambers

9293 Harding Avenue

An interactive workshop hosted by the University of Miami's School of Architecture LU_Lab, focused on urban resiliency. Workshop objectives are designed to encourage residents and the community to play a participatory role in the development of a Climate Change Action Toolkit.
